
A compilation on resources on SI

Below part of the work of another ConnectFund grantee, [Vonne](https://www.vonne.org.uk/) (<https://www.vonne.org.uk/>). They collated some useful resources **for work with funders, social investors, Local Infrastructure Organisations (and possibly others)**.

1) To enable grant funders, LIOs and LA VCSE Liaison officers to have clear understanding of **when Social Investment might be right for an organisation**

- Social investment diagnostic tool on Good Finance website:
<https://www.goodfinance.org.uk/wizard/profiler>

2) **Enterprise development – why do it?** Pros and cons, barriers and opportunities, case studies

- Guardian article: <https://www.theguardian.com/voluntary-sector-network/2012/apr/27/charities-diversify-income-streams>

- NCVO Know How:

Funding & income overview: <https://knowhownonprofit.org/funding/fibasics>

Trading: <https://knowhownonprofit.org/funding/trading>

Funding for social enterprise development: <https://knowhownonprofit.org/how-to/how-to-get-funding-for-a-social-enterprise>

Charging for services: <https://knowhownonprofit.org/funding/trading/charging-for-services>

Generating income from buildings:

<https://knowhownonprofit.org/funding/trading/generating-income-from-buildings>

Charity shops: <https://knowhownonprofit.org/funding/trading/charityshops>

Sustainable funding tool:
